SYRUP PECTORAL

II PI INVITE ATTENTION to som PECTORAL SYRUP.

DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

Privatura, Nov. 18, 1858.

Dr. Kryser:—Although not an advocate of Patent dedicines, in general, it affords me pleasure indescribe its to recommend your Pectoral Syrup. As a medicine its well worthy the attention of any person who may in my manner be afflicted with coughs, colds and hourseeness of any hind, and for the peculiar qualifications for re-

a winsper, and by taking a tew dome of the more hyrug-[I would relieve me entirely.

In recommending this medicine, I must unbasistingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully, EDW ARD J. JONES, Cashier Citizens' Beposit Bank.

STEURESVILLE, O., March 14, 1859.

I have used Dr. Keyser's Cough Syrup for a bad cough
of several years standing, and can cheerfully say it is
the best medicine for the same that I have ever taken.
J. W. PRICE.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.—DR. KEYSER—Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. **Histocked the solse out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more treely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. B. F. PRATT,

Pittsburgh, May 11, 1839.

N. B.—I am no stranger to my fellow-citisens, and who entertain doubts can consult me personally.

E. F. P. COL. PRATT AND DR. KEYSER'S PECTORAL

PITISBURGE, April 24, 1857.

READ THE TRUTH.—DR. KEYSKE: I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL BYRUF, and before she had used half a bottle alse was relieved. The second bottle cured her entirely of her cough.

Rebinson street, Allerberry.

PITTEBURGH, December, 31, 1853.

A GREAT CURE BY DR, KEYSER'S PECTORAL
SYRUF.—I live in Peebles township, Allegheny county.
I had a coughing and spitting, which commenced acoust
the 4th of February last, and continued eight months. I
employed the best physicians in the country, and my
cough continued unabated until early in October. At
that time I was advised to try your PECTORAL COUGH
SYRUF, which I did, and after I had taken one bettle I
was entirely free from the coughing and spitting. I had was cultiely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what that one in my case.

Witness—B. M. Kerr. Peebles townhip.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time age, an old neighbor of mine was very ill; with a bed cough which every one supposed to be consumption. His relative told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Fectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Fectoral saved his life.

JOHAN' GINNIS.

DR. KEYSEB'S PECTORAL SYRUP IN BLAIRS DR. REYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Flease send me another supply of your valu-able "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Kepper's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Biairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully, J. S. WATTERSON & SONS

ANOTHER NEW CERTIFICATE-DR. KEYSER'S ANOTHER NEW CHRIFFICATE.—DR. REFERERS PROTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed.

2. W. SIMONTON.
236 Liberty street, Pittsburgh, Pa. Jan. 9, 1869.

"STOP THAT COUGHING."—How can I do it? "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral," in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsublushe coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in boges of string if out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we complet our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" look it according to directions, and in forty-eight hours we were master of the field, the enemy having uncenditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Reyser's famous "Dough Pectoral:"—Drownsville Chipper, Dec. 14, 1859.
